### ***Reviews***

*The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.*

## BESTIARY, OR THE PARADE OF ORPHEUS

DOWNLOAD

David R. Godine, USA, 1980. Paperback. Book Condition: New. New Edition. 64pp Illustrated. A Pocket Paragon Book. 2nd printing 2006. [In stock in Australia, for immediate delivery] An early and influential champion of cubism, the friend of Braque, Picasso, Dufy, Rousseau and Marie Laurencin (who became his mistress), Apollinaire was a seminal figure in the revolutionary art style known as Surrealism', a term that he coined some seven years before Breton formally founded the movement. In this charming book, published in 1910 and embellished with the graphically sophisticated and totally appropriate woodcuts of Dufy, we find the poet at his most accessible. His quatrains, printed in Dante italic and felicitously translated by Pepe Karmel, present a voice that ranges from the colloquial to the impassioned, a brisk combination of lyric imagery and bawdy humour (not surprising for a poet who, after a pious adolescence, supported himself by writing pornography). This is a small bijou of *alivre de peintre*, a lovely and lively ensemble of accessible poetry and striking woodcut art.
