

Imagine That - Technology: The History of Technology Rewritten

Filesize: 8.07 MB

Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

(Lexie Paucek PhD)

IMAGINE THAT - TECHNOLOGY: THE HISTORY OF TECHNOLOGY REWRITTEN

Icon Books Ltd. Paperback. Book Condition: new. BRAND NEW, Imagine That - Technology: The History of Technology Rewritten, Michael Sells, Technology's most intriguing stories are the tales of what might have been, those seemingly insignificant incidents that would have had the largest unforeseen effects. Imagine That. Alexander Fleming cleans up his dishes .and penicillin is washed down the drain Steve Jobs skips the company visit to Xerox PAR C .and computers never crack the commercial market Nikola Tesla receives philanthropic support .and the 20th century is illuminated by space age energy and technology Engaging, contentious and compulsively readable, each book in this new series takes the reader on a historical flight of fancy, imagining the consequences if history had gone just that little bit differently.
