THE THREE STIGMATA OF PALMER ELDRITCH: SF MASTERWORKS

Gollancz. 1 Paperback(s), 2003. soft. Book Condition: New. (1966 Nebula Award Nominee) On Mars, the harsh climate could make any colonist turn to drugs to escape a dead-end existenceespecially when the drug is Can-D, which translates its users into the idyllic world of a Barbie-esque character named Perky Pat. When the mysterious Palmer Eldritch arrives with a new drug called Chew-Z, he offers a more addictive experience, one that might bring the user closer to God. But in a world where everyone is tripping, no promises can be taken at face value. This 1965 book is one of Philip K. Dick's enduring classics, at once a deep character study, a dark mystery, and a tightrope walk along the edge of reality and illusion. A visionary, Hugo Awardwinning author, Philip K. Dick was inducted posthumously into the Science Fiction Hall of Fame. His stories have been made into such blockbuster films as Blade Runner, Total Recall, and Minority Report, and he was the first science fiction writer to be included in the Library of America series."A psychedelic odyssey of hallucinations-within-hallucinations from which no reader emerges unscathed."Boston Globe 230.
