Reviews

*This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.

Ecological Application essays appearing at the end of the texts six parts, show students the real-world relevance of the ecological concepts they have learned. For instance, "Part V: Ecosystems" discusses the ecological problems caused by the American obsession with green lawns. *UPDATED! Chapter 26, Global Environmental Change, has been significantly revised to include research on current issues and includes new updated references. *NEW! The Elements of Ecology Companion Website features art and photos from the text and student resources such as ecology Web links. Allows instructors to offer on-line quizzing, create individualized syllabi, conduct threaded discussion groups, and administer on-line content. *Unique modular format. With complete concept statements at the beginning of each module, the text helps students focus on core concepts by dividing chapter material into manageable amounts of information. *Dynamic four-color art engages and maintains students interest. *The texts clear descriptive approach helps students to understand and appreciate ecology without overwhelming them with excessive amounts of quantitative information. *Pedagogy increases student retention 567 pp. Englisch.
