- Adobe Photoshop CS4 Studio Techniques has been completely updated to cover the new features in CS4. In a friendly, easy-going style that's long on information and short on technobabble, Photoshop Hall-of-Famer Ben Willmore and photographer Dan Ablan guide you through the concepts and features that will truly make a difference in how you use Photoshop every day. They'll take you from blindly following step-by-step instructions to an in-depth understanding of how Photoshop works, cutting through the fat to focus on what they consider to be Photoshop's essential features. This full-color book delivers the content in three easily digestible sections: Working Foundations, Production Essentials, and Creative Explorations. Streamlined for this new edition, the book will distill Photoshop's vast capabilities down to what you need to know for a full understanding of the program, while simultaneously focusing more directly on best practices for the photographer. Beginning with a quick 'refresher course' on the working foundations of Photoshop, you'll move on to real-world production techniques. Finally, you'll get to fully explore Photoshop's creative potential by blending and...
