Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

(Kaya Rippin)

**NEOLIBERALISMO. UNA BREVE INTRODUCCIÓN.

Madrid, Alianza, 2011, 1a. ed. en español, 2011. Book Condition: NEUBUCH. 239p., 15 ilustraciones b/n, 18x12cm, rústica. ISBN 9788420652832 EJEMPLAR NUEVO / NEUBUCH / NEW ITEM «Aunque acuñado por primera vez en Alemania tras la Primera Guerra Mundial, sólo en los últimos veinticinco años -encarnado por rostros visibles que van desde Ronald Reagan y Margaret Thatcher a Bill Clinton y George W. Bush, o desde Tony Blair a, en España, José María Aznar- el término "neoliberalismo" ha adquirido un uso más corriente, designando por lo general las políticas relacionadas con la desregulación de las economías nacionales, la liberalización del comercio o la creación de un mercado global único. Manfred B. Steger y Ravi K. Roy ofrecen en esta breve introducción una panorámica de los orígenes, la evolución y las principales ideas de esta corriente ideológica y económica capaz de adaptarse a los más diversos ámbitos y contextos, pero cuyas presuntas bondades, alimentadas en los años de euforia y voracidad financieras, se han visto cuestionadas por la reciente crisis económica que ha revelado las carencias del modelo económico global y que ha colocado al mundo ante una encrucijada decisiva.» (texto de la cubierta). 190 gr. [Economía, Política].
