This volume is highly recommended for those with an interest in the history of Calvinism, and would make for a great addition to collections of allied literature. James Anthony Froude (1818 1894) was an English novelist, historian, and magazine editor. He became one of the most famous historians of his time, through the writing of History of England from the Fall of Wolsey to the Defeat of the Spanish Armada . Many vintage texts such as this are becoming increasingly rare and expensive, and it is with this in mind that we are republishing this volume now, in an affordable, modern, high-quality edition. It comes complete with a specially commissioned new biography of the author.
