Best Australian Political Cartoons 2010 (Paperback)

By -

Scribe Publications, Australia, 2011. Paperback. Book Condition: New. 198 x 180 mm. Language: English . Brand New Book. The year 2010 has been one of reversals. At the start Kevin Rudd, the conscience of decent folk everywhere, was still enjoying an unprecedented run of popularity in the polls. Meanwhile, the Liberals were fast becoming a reactionary rabble who, after sacrificing most of their leadership talent, were left with only a mad monk to guide them out of the wilderness. But by mid-year Tony Abbott had become the iron man, smuggling in a new set of budgies to get the Liberals oppositional juices flowing. Kevin Rudd was looking as rattled as a clapped out third-termer, displaying a level of political expediency that would have made John Howard blush. As Labor dumped promises and programs, it wasn't just Abbott and the green-left who thought Rudd was a gutless backflipper, even the Labor faithful had started to ask: what does this guy believe in? It's re-election, stupid! See what Australia's wittiest and most perceptive political cartoonists make of it all in Best Australian Political Cartoons 2010, your essential alternative guide to the year in politics.

Reviews

Very helpful to any or all category of folks. It is written in simple phrases rather than difficult to understand. It has been developed in an exceptionally simple way and is particularly just after I finished reading this pdf in which basically transformed me, modify the way in my opinion.

-- **Hank Runte**

Most of these ebook is the best publication available. It is definitely simplistic but unexpected situations within the 50 percent of the book. You will not sense monotony at any moment of the time (that's what catalogs are for relating to in the event you request me).
