Not illustrated. 1904 Excerpt: .diseases and has provided for the health and sanitary regulations of the people not only in incorporated cities and boroughs but in the rural districts. This system is complete in itself. The power vested in Boards of health to quarantine In re James Kibby, Order for Relief. families and provide hospitals necessarily implies the right to maintain and support those families during the period of quarantine and while they are in the control of the board of health. This system is complete and independent of the poor laws of the Commonwealth. Under the poor laws of the Commonwealth only those who are paupers within the meaning of that term have a right to relief. In the case of Mr. Kibby and his family he was earning a living and supporting his family at the time he was quarantined by the board of health. As soon...
