

Dinosaurs and Other Prehistoric Creatures

By Mark Bergin, Mark Bergin

Paperback. Book Condition: New. Not Signed; *It's Fun To Draw Dinosaurs* takes young budding artists back to the age of the Tyrannosaurus rex and the pteranodon! The prehistoric world was host to a huge array of different creatures and scenic environments, such as the liopleurodon swimming through the clear sea and the tall diplodocus munching his way through the forest. Here you can draw a wide selection of these creatures and places, using a variety of different artistic tools and techniques, including squiggling, crosshatching, sponging and smudging. Draw a herd of velociraptors charging past a volcano, a fierce Tyrannosaurus Rex chasing its prey or a pteranodon swooping through the cloudy skies. To make the book even more fun, a mischievous Diplodocus can be seen poking his big neck into each and every illustration! *It's Fun to Draw* is a great way to start learning about the concepts involved in drawing, from colouring techniques and shapes to shading and erasing. Colouring techniques are introduced, using a variety of materials such as wax crayons, coloured pencils and ink pens. With 'Splat-a-facts', which give information about what's being drawn, these books act as a creative spark, setting off your child's imagination so that...

Reviews

This composed book is fantastic. it absolutely was written quite properly and helpful. I am very happy to explain how this is the very best ebook i actually have read during my own existence and may be the best pdf for actually.

-- Prof. Elody D'Amore

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
