By Beatrix Potter

Penguin Books Ltd, United Kingdom, 2016. Hardback. Book Condition: New. Special edition. 143 x 119 mm. Language: English . Brand New Book. Beatrix Potter s famous tale of a naughty squirrel who loses his tail is as popular today as it was when it was first published over 100 years ago. Join Nutkin, his brother Tinkleberry and all his cousins as they make their way over to Owl Island to gather nuts. See what happens when Old Brown, the terrifying owl guardian of the island decides he has had enough of silly Nutkin s cheekiness! Ouch!! This edition is part of a collection of five books designed by iconic British and Irish fashion designers to celebration the 150th anniversary of Beatrix Potter. The Tale of Squirrel Nutkin was designed by Preen; founded in 1996 by Justin Thornton and Thea Bregazzi, with a joint love of all things Victoriana, a passion for recycling, and with that masculine and feminine, hard/soft mix the couple bring to their designs. Their debut collection at London Fashion Week for Spring/Summer 2001 received rave reviews, described as a sartorial traditional clash, with a very British sense of tongue-in-cheek chic.
