Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.OLD MAN IN A CHAIR is a cycle of four plays about Max Lieberman, the fictional last Jew of Boyle Heights, a Los Angeles neighborhood that was once the largest Jewish community west of the Mississippi. In *The Golem of Brooklyn Avenue*, Max learns the local synagogue is closing. Desperate for a remedy, he builds a golem, the mythical artificial man formed of clay and brought to life by the power of holy words. In the second play, *My Son, the Dybbuk*, Max struggles to come to terms with the loss of his wife and his son, by suicide many years before. In *Yankel and his wives* Max returns from the unveiling for his wife with his half-sister. As the woman reminisces about their father, flashbacks reveal an altogether different set of memories of a difficult childhood. In the final play, *God of Ambivalence*, Max and his younger self entertain the ghosts of his past during a Passover seder. -from the Introduction.
