

The Possibility Dogs: What I Learned from Second-Chance Rescues About Service, H

Filesize: 8.67 MB

Reviews

Very good electronic book and valuable one. It is actually written in basic words instead of difficult to understand. I discovered this ebook from my i and dad encouraged this publication to discover.

Mariner. 1 Paperback(s), 2013. soft. Book Condition: New. After a grisly search-and-rescue operation led to troubling consequences for Susannah Charletonalso the author of Scent of the Missingshe found that her relationship with Puzzle, her search dog, made a surprising contribution to her own healing. Inspired by that experience, Charleton learned to identify abandoned dogs with service potential, plucking them from shelters and training them to work with disabled human partners, to whom the dogs bring assistance, comfort, and hope. In this book she goes beyond the science that explains working canines to tell the stories of the dogs themselves. She introduces us to remarkable dogs like Merlin, a black Lab puppy who had been thrown away in a garbage bag and now stabilizes his partner's panic attacks, and service dog Jake Piper, a formerly starving pit bull mix who went from abandoned to irreplaceable. "For everyone who is interested in the human-animal bond, this book is essential reading."Temple Grandin"Insightful and earthy, Charleton is never maudlin. All the stories have tremendous heart and power and you believe Charleton when she writes: 'Any dog can surprise you,' and 'great dogs can come in odd packages'."Boston Globe 260.
