Harvest House Publishers,U.S. Paperback. Book Condition: new. BRAND NEW, Right Thinking in a World Gone Wrong: A Biblical Response to Today's Most Controversial Issues, John MacArthur, "Our response to moral questions is not determined by politics, economics, personal preference, popular opinion, or human reasoning. It is, instead, grounded in what God has told us is true about ourselves and our world.God's Word offers sanity, clarity, and hope." (John MacArthur). Trusted voices offer Biblical responses to today's hot issues. One of the greatest challenges facing Christians today is the powerful influence of secular thinking. From all directions we're fed a constant barrage of persuasive yet unbiblical worldviews. This makes it difficult to know where to stand on today's most talked-about issues. The leadership team at Grace Community Church, along with their pastor, John MacArthur, provide much-needed discernment and clarity in the midst of rampant confusion. Using the Bible as the foundation, you'll learn how to develop a Christian perspective on key issues including.political activism; environmentalism, the cult of celebrity; entertainment and escapism; homosexual marriage, abortion, birth control, and surrogacy, euthanasia and suicide; and, disasters and epidemics, immigration, God and the problem of evil. Also included is a topical reference guide of Bible verses that address key concerns - a guide that will arm you with right thinking and biblical answers to challenging questions.
