There s a secret tree fort and YOU RE NOT INVITED! The little sister wants them to play together - but the big sister, instead, wants to sit under a tree with a book. So the younger sister decides to tempt her with a description of her super-cool, super-secret TREE FORT. Just what will it take to get her sister to look up? The promise of a water-balloon launcher in case of attack? A trapdoor to look at the stars? A crow s nest where they can see how many whales pass by or watch for pirates? Or the very best part of all, which can t be revealed, because it s a secret?.
