Simon & Schuster. Paperback. Book Condition: new. BRAND NEW, Mirror Universe: Shards and Shadows, Peter David, Margaret Clark, Marco Palmieri, When the Mirror Universe was first encountered in the Original Series episode 'Mirror Mirror', it was an immediate hit with Star Trek viewers, a success which was repeated when subsequent series -- most notably several episodes of Deep Space Nine-- revisited this most intriguing of parallel worlds. Now the next in the sequence of Mirror Universe anthologies spanning more than two hundred years of Star Trek history features a dozen new twisted tales from the other universe -- a sinister yet eerily familiar setting where history has taken a different turn. Here the heroes and crewmen we know and love are transformed into radically altered and even opposing characters -- brutal and ruthless versions of themselves. Throw restraint to the winds and indulge the dark side with some of the Mirror Universe's most entertaining villains.
