Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Automated Book Marketing for Authors Includes access to online video lessonsThe idea with becoming a writer is that you build a passive income stream right? That s possibly why you started writing in the first place. Passive Income should be income where you don t have to spend the rest of your life marketing. When that happens, you are back to trading time for money, and that s not passive is it.This entire Bestseller Tactics book series will help you put in place not just passive income, but passive book marketing too. It will walk you, step by step, through a comprehensive author marketing plan with techniques that will do just one thing, sell more books.The first volume in the series covers your book before it s published; If you get that part right then you will never have to go through major changes again.Volume two in the series gives a full step-by-step marketing strategy to launch your book along with advice of the continued marketing of your titlesThis sales page is for Volume three - In this book you are taught how to use some software to create an automated marketing machine on Facebook.A little of what you will learn: The phases of marketing your book and what techniques to useWhy Facebook is totally different to any other marketing channelHow to write effective messages to Facebook and what most authors get wrongAn introduction to the softwareHow to use the software to create listsHow to target your facebook messagesHow to send up to 6000 messages a month without being bannedHow to get Facebook advertising for less that 3c per clickThe book marketing techniques shown in this book are...
