

More Original Sudoku Bk. 3

Filesize: 6.97 MB

Reviews

It is one of my personal favorite books. It is written in easy terms and never hard to understand. It has been designed in an exceedingly easy way and it is only after I finished reading this publication by which in fact changed me, change the way I think.

(Lucinda Stiedemann)

Workman Publishing Company. Paperback. Book Condition: New. Paperback. 430 pages. Dimensions: 6.0in. x 3.7in. x 1.2in.Over twenty years ago Nikoli, the Japanese puzzle and game company, started publishing a curious logic puzzle called Sudoku. The rest of the world recently joined the Sudoku craze by using computer programs to create puzzles, but Nikoli is the only company that still crafts their puzzles the old-fashioned way: by hand. As Ad Age wrote in a profile, the Nikoli credo is The Best Puzzles Are Made by Happy Employees. And for solvers, it really does make a differencetheres an elegance and symmetry to the puzzles, plus a sense of interaction. The puzzle-maker knows just when to encourage, and when to withhold. Puzzles marked Easy, are easy because the puzzler leads you through. Those marked Very Hard are exactly thatthey pit your mind against the mind of the master, who seems to share the joy of that moment when one hard-won number is captured, and the entire puzzle tumbles into place. An obsessives collection, More Original Sudoku features over 300 puzzles, all in a chunky, easy-to-carry format (it even fits into a standard jeans-size back pocket). An introduction shows how to solve the puzzles at various levels of difficulty, and it includes a tutorial on how to create your own hand-made Sudoku. Heres wishing you Gokouun o inorimasu! (Good luck!) This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
