## WRITING TO WIN FEDERAL GRANTS -THE WORKBOOK (PAPERBACK)

[DOWNLOAD](#)

Charitychannel LLC, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Writing to Win Federal Grants - The Workbook was conceived when the coauthors, Cheryl L. Kester, CFRE, and Karen L. Cassidy, GPC, were writing their book, Writing to Win Federal Grants: A Must-Have for your Fundraising Toolbox. They simply had too many tools to share in the book, which was already bursting at the seams-and they didn't want it to overwhelm beginners. So this workbook was the perfect answer to sharing these valuable tools. Though this workbook was written as the companion to the book-and features cross-references to the book where the reader may want to go deeper-it also stands on its own. Checklists, forms, and templates that you can use make up Part One of this workbook. These are all tools the authors created or borrowed and continue to adapt when needed. Now they're yours to use! Tools such as checklists and forms fit on one or two pages so that you can photocopy them right out of this workbook, formatted in a convenient 8.5 x 11 inches. Part Two provides sample proposals, with helpful tips and advice from the authors. In her foreword, Teri S. Bandon, CFRE, GPC, vice president for institutional advancement at Global Communities and contributing author to *You and Your Nonprofit*, points out that it not only gives you the tools, but it also tells you why you need them and how to use them. Logic models, writes Bandon, have left more than one grant professional quaking with fear. This workbook not only provides examples of different formats, but it also explains how to lead a group in brainstorming development of the logic model elements. I've seen logic models...
