

## Non-discrimination and Employment Law

Filesize: 1.97 MB

### ***Reviews***

*This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).*

## NON-DISCRIMINATION AND EMPLOYMENT LAW

GRIN Verlag Apr 2014, 2014. Taschenbuch. Book Condition: Neu. 210x148x2 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2012 in the subject Business economics - Law, grade: 1,7, University of applied sciences, Munich, course: Business Law, language: English, abstract: After the introduction of the General Equal Treatment Act (Allgemeines Gleichbehandlungsgesetz/AGG) in August 2006, many employers feared a flood of (unjustified) lawsuits against acts of discrimination (Handelsblatt, 2006). While a study of the 'Initiative Neue Soziale Marktwirtschaft' (INSM) calculated costs of 1,73 BEUR for German companies (Hoffjan, 2007) within the first year after the entry into force of the AGG, others claim that the expected cost explosion is a sheer fiction. The regulations of the Equal Treatment Act in Germany have major implications for Human Resources and therefore should be thoroughly implemented into the company practice. In order to avoid frictions due to violations the following fields should be considered: Structures, information and training, Job advertising and recruiting, contractual arrangements, regulations for remuneration and career development and finally the proper documentation and storage of data. 24 pp. Englisch.
