The most complete resource for learning AutoCAD Civil 3D Mastering AutoCAD Civil 3D is the ultimate guide to the new standard in civil engineering software. With combined experience in both civil engineering and Autodesk Civil 3D, authors Cyndy Davenport and Ishka Voiculescu guide you through the ins and outs of the program, from the fundamentals to the little-known tricks that make a big difference. The book focuses on real-world applications in professional environments, and presents topics and ideas not found anywhere else. Lessons begin simply, with an overview of the software and interface, and then gradually progress to more complex topics. AutoCAD Civil 3D is the standard software for civil engineering and design. From surveying and mapping, to design, to documentation and analysis, the program offers expanded capabilities and complementary workflows, allowing easy integration with InfraWorks, Revit Structure, and more. The ability to complete a project within a single suite means increased productivity and continuity, which translates into quicker turnaround, better-designed structures, and streamlined project management. The savvy civil engineering professional must be well versed in the...
