Brand New Book ***** Print on Demand *****.Rhodesia watched them from the rumped bed as they dressed, her slitted eyes golden and knowing. When Elizabeth bent to stroke the cat s belly, the beast stretched and yawned extravagantly. Brian smiled. I think she likes you, he said. She trusts you already. To that, Elizabeth had no answer. Indiana University, 1968. Temporarily separated from her liberal-minded fiance, Elizabeth Nye begins an affair, only to find herself caught in a tangle of love, lies, and belated remorse. Social change, sibling rivalry, and infidelity take center stage as the novel explores multiple varieties and two generations of deception and self-deception. A brilliant first novel, thoroughly evolved and gorgeously executed. - Alan Rodgers, author Gripping and powerful. - Community News, Denver This is a revised version of the book published in 2000.
