THE BLOODLINE OF WISDOM: THE AWAKENING OF A MODERN SOLUTIONARY (PAPERBACK)

Bush Publishing, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book carries a word author Anthony Boquet created in 2010, a word of great meaning. The word Solutionary was born out of a personal need to raise solutions to a level higher than the problems they solve, while the term problem-solver elevates the problem as the key term. When we learn to focus on solutions instead of problems, great things begin to happen. Are you a parent, a business owner, a teenager wanting to find your way through life, an elderly person wishing you could leave a positive mark in the world, or just an average person facing life s trials and rewards? If so, then read this book to learn where wisdom first began. Join us on this mystical journey and find out if you too are a Modern Solutionary! Written as a modern fable, this inspirational guide will help you expand and broaden your wise decision making skills using the wisdom of the first Solutionary, King Solomon. Together we will be mentored by Wise King Solomon himself as we journey through time, to the days when Solomon and his scribe Arif created the Scrolls of Wisdom, lost through the passage of time only to be found centuries later by one of Solomon s great, great, great grandchildren. Surrounded by mystery and unexplained events, the heirs of Solomon pick up where he left off, discovering lessons which must never be lost again. In the story you will learn about the first Solutionary, Wise King Solomon, and how he and his heirs were given the gift of Wisdom by God; they in turn share the lessons with their disciples. As a means of broadening the number of...
